AgilePlans ONE General Terms

- All prices are in USD and do not include any taxes or fees that may apply.
- Global HTS network published data rates are rate plan maximums and may vary in different regions and under different conditions. Service reception may be affected by environmental or operational conditions and its uninterrupted availability is not guaranteed.
- Cellular service coverage area and speeds will vary based on antenna mounting location; onboard network equipment (including hardwired Ethernet connection or belowdeck Wi-Fi access point); position, height of, and distance to cell towers; network congestion; and network type may vary in different regions and under different conditions. Service reception may be affected by environmental or operational conditions, and its uninterrupted availability is not guaranteed.
- All services and plans are subject to the KVH Master Services Agreement.
- KVH Authorized Installation Plan is required. A $500 one-time fee applies.
- Subscription period is month-to-month and automatically renews on a monthly basis.
- When the data allocation for the high-speed rate plan with unlimited use/shaped data has been consumed, service will automatically shift to the reduced data rate shaped plan with no overage charges until the end of the calendar month. The high-speed data allocation will reset at the beginning of each month.

- Plan upgrades may be made and will go into effect at any time. Plan downgrades go into effect at the start of the next month. A $100 fee applies for each downward plan change, except during the first 90 days of the service to allow subscriber to determine the plan most appropriate for their usage needs. For complete details on plan changes, refer to the "Airtime Rate Plan Change/Suspension Policies" at kvh.com/airtimeresources.
- Service suspension is permitted. See "Airtime Rate Plan Change/Suspension Policies" at kvh.com/airtimeresources.
- KVH offers first voice line at no charge and second voice line at $31/month (second line available on TracNet H60 and 90 only). KVH-assigned voice line phone numbers for either line are provided at no charge. User-specified voice line phone numbers for either line are $31/month.
- Virtual local phone numbers can be added for a monthly fee of $31 per number (5 max. per voice line) where available and are subject to in-country regulations.
- Outgoing calls and faxes are subject to long distance charges. See details on the "KVH Enhanced Voice Service Long Distance Rate Sheet" at kvh.com/airtimeresources.
- Global Static IP Service is available for $30/month per IP address. Visit kvh.com/staticip for details. Setup fee applies.
- BitTorrent and all such data-intensive applications and protocols will be blocked by KVH.
